Patrol Camp

Dear Parent,

Your son/daughter's Patrol Leader (_____) is organising a
training camp for the Patrol at _____
from _____ until _____.

The Patrol Leader is approved by us to organise and run this event under our Nights Away Passport scheme and receives assistance ranging from planning and preparation of programme, menu and accommodation through to having an experienced Explorer Scout accompanying them during the actual camp to make sure things run smoothly. The level of assistance is based on their experience of organising events to date. We try to reduce the level of assistance as the Patrol Leader becomes more experienced. The programme and menu are always subject to our approval. One of our leaders will also visit the camp each day.

This scheme is intended to give the Patrol the opportunity to come together as a unit and contributes towards various badges depending on the programme chosen. It also allows the Patrol Leader to meet the leadership requirements of their more advanced badges.

The cost of the camp is : £ _____
